

3D Design Contest

We're holding a monthly 3D Design Contest. Participants submit a .stl file that they designed, using software such as Tinkercad or Blender, of an object fitting our monthly theme. The winner will get their object printed on our 3D printer for free!

Age Groups: Junior Designers 5-11, Designers 12-18, Master Designers 18+

Entries can be submitted in person via flash drive, or by email to info@troylibrary.org. Objects must be smaller than 6 in. x 6 in. Be sure to include your name, age group, phone number, and the title of your design with your entry. Entries are due by the third Friday of the month. All Entries must follow Tri-Township Public Library's 3D Printing Policy.

September's Theme Is Buildings

Submission Deadline:

5:00pm Friday, September 18
